|----------------------|----------------------|--------------|
|                      | from 14 to 24 days   | discount 10% |
|                      | from 25 days onwards | discount 20% |
|                      |                      | discount 30% |
